Dear David:

Thank you for your response. The filing of an Affidavit of Use is routine enough for your in-house counsel to handle. To that end, this will confirm that our firm will no longer be handling these trademark matters, and they will be removed from our docket.

On a related matter, would you like for us to forward the files to your offices.
Please advise.

Sincerely,

Deirdre

Thanks very much.

Reg. No.: 1,921,978

(05421-0300-629)

Dear Mr. Stone:

We are pleased to inform you that a Certificate of Registration has been issued for the above trademark. We have enclosed a photocopy of the Registration Certificate and will keep the original in our files. The registration is effective September 26, 1995 and will be in full force and effect for ten (10) years until September 26, 2005.

Under trademark law, an affidavit of continued use must be filed during the sixth year of registration. This means that an affidavit must be filed between September 26, 2000 and September 26, 2001. This Affidavit attests to your use of the trademark in interstate commerce for five consecutive years.

If the Affidavit is not filed with the trademark office by September 26, 2001, then your rights to the registration will automatically lapse. It is important that you record these dates for your files.

In order to inform others of your rights to the marks, the ® notice should be included whenever the marks are used.

If you have any questions, please contact me or Ned Rosenthal at (212) 980-0120.

Re: Trademark/Service Mark Applications
Mark: WHOLE EARTH CATALOG
Client/Matter 05421-0300

Dear Mr. Maida:

It was a pleasure speaking with you yesterday. Per our conversation, enclosed are the eight applications for the marks "WHOLE EARTH CATALOG" and "WHOLE EARTH REVIEW" to be filed in the United States Patent and Trademark Office.

The applications have been amended to reflect the changes we discussed. You will note that Peggy Lauer's name has been added to the all of the applications as President of Point Foundation. Also, for the "WHOLE EARTH REVIEW" applications, the description of goods now reads "National general interest magazine". The date December 1984 has also been added as the date of first use.

If everything else is in order, please have Ms. Lauer sign and date the documents in the appropriate spaces and return them to my attention. Also, please enclose eight separate checks in the amount of $245.00 each made payable to the "Commissioner of Patents and Trademarks" to cover the filing fees. In addition, as we discussed, please include the black and white drawings of the logos.

If you have any questions or comments, please do not hesitate to call me at (212) 826-5573.

Sincerely yours,

Hayley Matcovsky

Client/Matter 05241-0300

Dear Mr. Maida:

Per your request enclosed are four actual use applications for the above marks to be filed in the United States Patent and Trademark Office. The applications for "WHOLE EARTH CATALOG" and "WHOLE EARTH CATALOG and Design" are to be filed in Class 16 for a "Series of books" and the applications for "WHOLE EARTH REVIEW" and "WHOLE EARTH REVIEW and Design" are also to be filed in Class 16 for a "National monthly general interest magazine".

Please review the applications carefully, especially the description of goods. If all is in order, please sign and date the documents in the appropriate spaces and return them to my attention. In addition, please enclose four separate checks in the in the amount of $245.00 each made payable to the "Commissioner of Patents and Trademarks" to cover the filing fee.

You should note that we did not have the date of first use for "WHOLE EARTH REVIEW". Accordingly, please fill in the appropriate month and year on the blank spaces on the applications.

In addition, we will need black and white drawings for the applications that include the "earth" design. Please call Ned Rosenthal or me so we can discuss the Trademark Office's drawing requirements in further detail.

If you have any questions regarding any of these applications, please do not hesitate to call me at (212) 826-5573.

Sincerely yours,

Hayley Matcovsky

Re: *Whole Earth Catalog*

Dear Michael:

Thank you for the call and the benefit of your thoughts.

I conferred by phone today with John Sumser, Executive Director of POINT FOUNDATION, and he has authorized me to proceed with engaging your firm to establish the trademark(s) for *Whole Earth Catalog* and its derivatives, and to formalize the rights agreement and exclusive agency now in place between POINT and LEGACY.

Please initiate the process from your end immediately and let me know what you need from us. I look forward to working together with you and your associates, and I have the sense we will have much to do beyond this phase.

Best,

Tano
